SCORE

Research Exchange

STANDARD RESEARCH EXCHANGE PROJECT FORM

(SCORE Project Form 2015)

General Information

Name of the research project (*highly specific and matching the aim of the project*):

Name and address of the department:

Head of the department:

Tutor(s):

E-mail:

Phone:

Description of the project (*min. 3 lines, max. 10 lines*)

Please, provide project background information for the interested students:

What is the aim of the project?

IFMSA

International Federation of
Medical Students' Associations

What techniques and methods will be used?

Type of the project (*check only one option*)

Basic Science Clinical Research without lab work Clinical Research with lab work

Will there be any theoretical teaching provided (preliminary readings, lectures, courses, seminars etc)?

What is the role of the student and what is expected from him/her during the research exchange? (*minimum 3 lines*)

What should be the outcome of the student's participation on the research exchange project (paper, poster etc)?

What are the practical skills and the knowledge the student will acquire during the exchange program?

Requirements

What skills are required? Is there any special knowledge or certain level of studies needed? Are there any legal limitations in the student's involvement in the project? Is a scientific report demanded after the exchange?

For the use of students considering participating in the project, further information can be found from the following articles (*please add specific articles*):

IFMSA

International Federation of
Medical Students' Associations

Language(s): Which languages are required or accepted? (include English)

Required: _____

Accepted: _____

Will you accept to the project (*check all that apply*)

- Medical students
- Graduated students (less than 6 months prior to the research exchange)
- Pre-medical students (in case of countries where the preclinical years are considered a different degree).
- Students in biomedical fields (i.e. Biotechnology or Biomedical studies)

Schedule

Do you accept students for one month research training? _____

What is the minimum and maximum length of duration of the research exchange period? (*SCORE projects needs to be at least 4 weeks long*)

There are approximately _____ hours of work per day.

Available months (*specific periods can't be written under special remarks*):

- January February March April May June
 July August September October November December

How many exchange students can you accept to the project

At the same time per one exchange period? _____

In total per year: _____

Special remarks:

Thank you for your contribution!
